Marketing & Events Specialist

Results-driven marketing professional with 7+ years of experience developing and executing campaigns that drive audience growth, engagement, and revenue across digital and live platforms. Skilled in content strategy, event coordination, and brand partnerships, with a proven ability to turn insights into impactful, data-informed marketing initiatives.

PROFESSIONAL EXPERIENCE

Senior Manager, Esports Programs

Monumental Sports & Entertainment

Washington, DC | August 2023 - March 2026

- **Generated \$1M+ in sponsorship revenue** by maintaining partnership and stakeholder relationships with brands like *Coca-Cola*, *McDonald's*, and *Leidos* through delivering integrated marketing and live event activations.
- **Directed the strategy, development, and execution of esports/gaming programs** and competitive events for *NBA*, *NHL*, and *NBA 2K League* events in DC and online.
- **Led 100+ large-scale live and virtual events** driving millions of social impressions across our esports brands of *Wizards District Gaming* (official NBA 2K League team), *Caps Gaming* (Esports sub-brand to the Washington Capitals), and *District E* (Esports bar and venue).
- **Built budgets and tracked the performance metrics** for each event, marketing campaign, and community initiative our team worked on.
- **Grew the largest Smash Brothers tournament in the DC area** in our monthly Smash event, The Hill, hosting over 150+ attendees monthly.
- **Organized convention activations for multiple events** including *CavClash* (a local collegiate esports event), *AwesomeCon*, and *SuperNOVA* (formerly *SuperSmashCon*).
- **Led cross-functional teams to manage full-stack event execution**, including logistics, marketing campaigns, broadcast integration, and graphic design, delivering high-quality experiences for thousands of participants.
- **Developed a roster of 6 DMV-based content creators ("District Elite")**, driving audience growth and fan engagement through coordinated promotions, activations, and community initiatives.
- **Conceptualized and executed a cross-brand charity livestream** titled EXP (Every eXtra Penny) featuring talent from the Washington Capitals, Wizards, and Mystics, and Team Liquid, **raising \$1,500+ for the Boys & Girls Clubs**.
- **Led a team of 3 part time staff and 100+ contractors** at District E to support large scale events and community operations.
- **Utilized Adobe Acrobat, Photoshop, and Premiere Pro** to support event and content production.

Caps Gaming Manager

Monumental Sports & Entertainment

Washington, DC | January 2022 - August 2023

- **Led day-to-day operations of Capitals gaming initiatives for the NHL team**, including programming, marketing, partnerships, and community engagement.
- **Planned and executed 30+ live and virtual events, tournaments and fan activations** to engage Gen Z and digital first audiences.
- **Led the Caps Gaming esports team (6 players)**, executing marketing campaigns and live social coverage.
- **Collaborated with marketing and partnerships teams** to integrate gaming into broader brand campaigns and sponsorship activations.

Marketing Coordinator

Carahsoft Technology Corporation

Reston, VA | October 2020 - December 2021

- **Coordinated and hosted 50+ webinars and virtual events**, managing logistics, speakers, and audience engagement.
- Developed marketing campaigns and promotional materials in partnership with Adobe Teams.
- Supported email marketing and digital campaigns to drive attendance and engagement.

EDUCATION

B.S. Marketing Management, Minor in Communications

Virginia Tech - Blacksburg, VA | May 2019
